## Tumbling Program

**Ages:** 5-7 8-10 11-14

**Entails:** 15 minutes Trampoline  
 45 minutes Tumbling  
 (60 minutes total)

In this tumbling program the athlete will learn the basic foundation of tumbling. Through proper progressions, use of mats, obstacle course, drills and spotting, the athlete will learn on our 40x80 foot spring floor: **basic rolls, positions, handstands, cartwheels, round-offs, walkovers, handsprings**, and connections. This 60 minute class is great for those interested in *dance, cheerleading, acro, gymnastics, and tumbling*. Strength and conditioning, flexibility, and coordination drills are included in the class as it plays a very important role in the athlete's ability to perform skills on the trampoline and in tumbling. The athlete must be strong enough to hold themselves upside-down before performing skills upside-down; therefore, we make sure they are strong enough to do so before hand. Trampoline plays a role in helping the tumbler learn balance, core strength, and tumbling skills on a softer surface.
