Parties at Elite Trampoline Academy are fun for all ages! Our newly renovated, state of the art facility is the perfect setting for your Private Party. We offer three party packages for you to customize all your party needs. The party begins on our 40x80 foot spring floor with a fun warm up and stretch. Then the party moves to the trampolines, where everyone takes turns learning basic and fun trampoline skills. Afterwards, the party will enjoy an open gym to play and jump and practice all those new trampoline skills! Following the 60 minutes in the gym, the party moves to our Party Room for food and drinks.
